CAKE CONSULTATION & TASTING

Here at Heavenly Cupcakes we aim to give the discernible bride the most wonderful Cupcakes to enhance your most special day. To this end we would recommend that a consultation is undertaken to establish your exact requirements.

It is most important that we all get together to meet and discuss your needs i.e. decorative ideas you may have and our suggestions; flavour and colours together with the display at the wedding venue you have chosen.

The cost is £20 per consultation which is fully refundable if your order with Heavenly Cupcakes exceeds £250 (does not include set-up; mileage or consumables).
